GENERAL ELECTION SPECIAL #2

✂ Christmas Edition ✂

# LEAVERS, DON'T WASTE YOUR VOTE!

Labour is the party of a second referendum and Remain

The Conservatives still can't be trusted to get Brexit done on their own

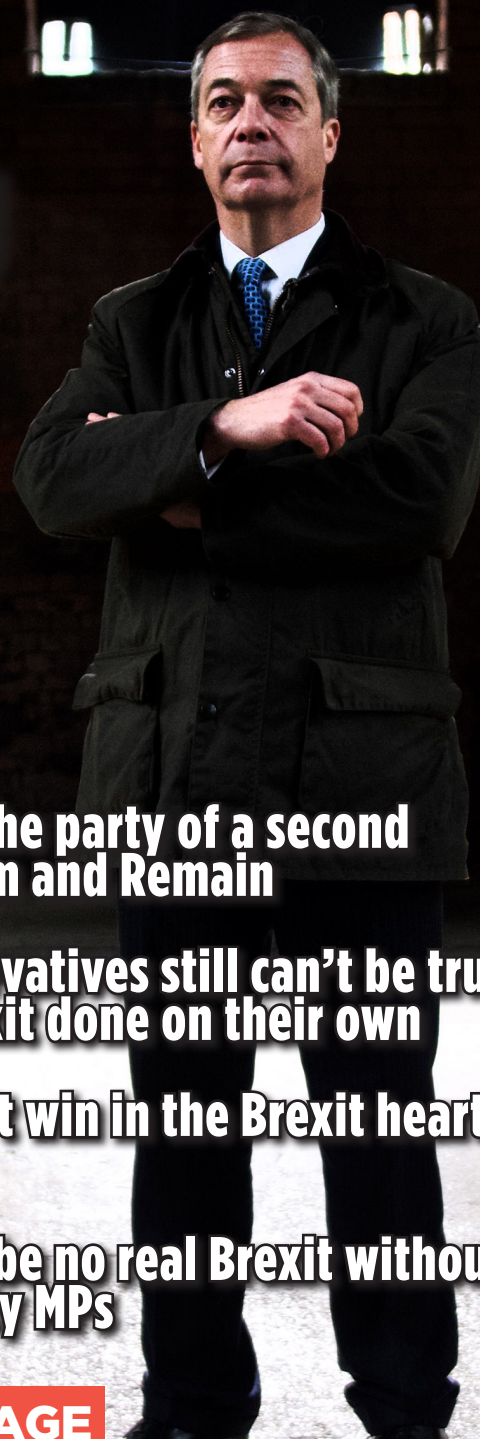

Tories can't win in the Brexit heartlands – We can

There will be no real Brexit without Brexit Party MPs

BY NIGEL FARAGE

DO YOU WANT A BREXIT MP OR A REMAINER MP? That is the one question that matters most in this General Election. Only by electing Brexit Party MPs can we make sure that Parliament finally delivers the Brexit that 17.4m of us voted for. See over for more...

# LEAVE VOTERS HAVE A BIG CHOICE TO MAKE

## **1. NO LEAVER SHOULD VOTE LABOUR**

Jeremy Corbyn's party has betrayed five million who voted to Leave the EU in 2016 and voted Labour at the last General Election. Corbyn's 2017 manifesto promised to respect the referendum result. Now Labour wants a rigged second referendum which would effectively offer us the choice between Remain and Remain. Labour is now the party of the metropolitan middle classes not the masses; the party of North London, not the North.

## **2. A VOTE FOR THE CONSERVATIVES IN KEY SEATS IS A WASTED VOTE**

There are around 130 seats that the Tories have not won for at least 50 years — and will not win this time. People in the old Labour heartlands remember how the Conservatives have treated their communities with contempt. Tory is a four-letter word for many, from the North East to South Wales.

## **3. THE BREXIT PARTY CAN BEAT CORBYN'S REMAINER LABOUR IN THESE SEATS**

We proved it in the European Elections in May. Just six weeks after we launched in April, The Brexit Party topped the polls across all of England and Wales outside London. In other words, we won in every Leave-voting region in the UK — with more votes than the Conservatives and Corbyn's Labour combined. And it's not just that we can win in key seats this time — we must.

## **4. THE CONSERVATIVES STILL CAN'T BE TRUSTED TO DELIVER BREXIT ON THEIR OWN**

They took us into the Common Market in the 1970s and the European Union in the 1990s. They led the campaign to Remain in the 2016 referendum. Since 174m voted to Leave, two Conservative prime ministers have promised us we would — but failed to deliver Brexit. The majority of Boris Johnson's cabinet are Remainers. Why would Leavers trust the Tories to keep their word this time?

## **5. THERE WILL BE NO REAL BREXIT WITHOUT BREXIT PARTY MPs**

The Brexit Party has moved the Conservatives a long way towards Brexit. Without our victory in the European elections, Remain Theresa May would probably still be Prime Minister. Boris Johnson would not have pledged to go for a free trade deal without any political entanglement with EU courts and rules. Now we need to get Brexit Party MPs into Parliament to keep the Conservatives' feet to the fire and ensure, for

once, they keep their word on Brexit.

We are the only party that believes in a Clean-Break Brexit. Leavers, don't waste your vote — on Labour Remainers, or untrustworthy Tories. **Vote for The Brexit Party to make sure that we can finally get a proper Brexit done.**
